**PMI Qualifications,
Foundational Programmes and
Learnerships - 2026**

List of PMI qualifications aligned to the amended B-BBEE Code of Good Practice Learning Programme Matrix (Annexe 300(A)).

PMI is a leading **private higher education institution** with almost 5 decades of expertise in seamlessly integrating **vocational** and **higher education** across diverse industries and professions. Our widely respected **NQF Level 1 to 8** qualifications equip learners with the skills and knowledge needed to thrive in an evolving job market.

Committed to staying ahead of industry trends, we design Programmes that address current and future workforce demands—upskilling, reskilling, and future-skilling professionals for success.

QUALITY AND ACCREDITATION

The quality of our Programmes are validated by our esteemed accreditations. The Production Management Institute of Southern Africa (PMI) is:

- Accredited by the Council on Higher Education (CHE)
- Registered on the National Qualifications Framework (NQF) by the South African Qualifications Authority (SAQA)
- Registered with the Department of Higher Education and Training (DHET)
- Accredited by 8 SETAs
- Accredited by the QCTO

PMI HIGHER EDUCATION QUALIFICATIONS

PMI Higher Education qualifications count as Category E for B-BBEE skills spend. If the employee receives a bursary, the spend qualifies as Category A. Both categories allow for 100% recognition.
